Superintendent's Report

BISHOP LEETE AND BRETHREN:

Among the outstanding events of the past year which have had to do especially with Japan and America have been the visit of Prince and Princess Takamatsu, the revision of the "Cable Act" and the election yesterday, by the California Conference, of one of our members, S. Kawashima, as a delegate to General Conference. All of these events indicate a better and more friendly relation between Japanese and Americans. Fortunately there is very little to record on the reverse side of the ledger.

Prince Chichibu, Prince Takamatsu's next older brother, once passed through America hastily as he returned to the death-bed of his father, but the eldest brother, the present Emperor, has never visited America. Thus for the first time, a member of the Japanese Imperial Family has paid us a visit. With his charming bride he was most cordially received everywhere and welcomed with abundant hospitality. As Methodists we are proud of the fact that Commander Mizuno, his chief secretary and interpreter, is an active member of the Azabu Methodist Church in Tokyo, of which K. Fujioka, a Garrett graduate, is pastor. The manager of the tour was Commander Yamagata, whose father and uncle were baptized by Bishop Harris. Two of the chief treasures in the Yamagata household are a picture of Bishop Harris and a Bible he presented to the elder Yamagata.

The revision of the "Cable Act" by Congress not only allows our second generation, American-born girls to marry Japanese-born young men without losing their citizenship, but also allows those who forfeited their citizenship for this reason, to regain it. This friendly concession on the part of Congress is greatly appreciated by our young people, who value highly their American citizenship.

California Conference has had Japanese members for forty years, but this year for the first time chose one as a delegate to General Conference. This brotherly gesture means much to our loyal Japanese preachers and its significance will be felt the world around.

In such a genial atmosphere it is not surprising that we are able to report that the past year was the best in the history of this Conference. With the exception of Brother Tagashira of Portland, each pastor was at his appointed post throughout the year. Brother Tagashira was invited to go back to Japan to become Sunday School Secretary and, to our regret, accepted the invitation. The points we are stressing in our program are, more and better members in all our organizations, increased self-support, suitable new buildings and gain in World Service giving. If progress is to be judged by these criteria we feel that we are achieving a measure of success. We have had 32 workers engaged among the 140,000 Japanese in America, but there are yet some neglected communities. Brother So opened work in West Los Angeles last August. In less than one year he built up a Sunday School of 111 pupils and a Church with 38 members. This year, for the first time, we include San Fernando Valley and Mountain View in the appointments. At San Fernando Dr. Keeler, a retired missionary, is sponsoring a new work in a deserted church. At Mountain View Mrs. Minton has already a Sunday School of 150. With a student pastor, further growth is easily possible. With aid from the Special Opportunity Fund we plan to station a worker in Arizona from the first of September. There are at least five or six other communities where pastors should be placed and more than a score of places needing Sunday Schools.

Our "Thousand Souls Movement" following Pentecost has led to the most aggressive evangelistic campaign we have ever carried out. In almost every charge four definite special series of meetings were held. These resulted in 559 baptisms and a gain of 236 in full members. We now have 2,169 members on the active list and a grand total of 3,364 members. Tacoma with 72 baptisms, Sacramento with 40, Florin with 38 and San Francisco with 37, led the Conference. We have 4,273 pupils in the Sunday School and 1,496 young people in the Leagues, a gain of 382.

Seattle is the sixth of our Churches to achieve self-support. From July 1st this earnest group will relinquish its subsidy, which was \$32 a month last year. In spite of the hard times, almost all the other fully organized Churches will continue the plan of reducing the subsidy 10 per cent each year. Were it not for this self-sacrificing and self-respecting policy, the continual cuts in World Service would have wrecked our work. The self-support for the past year totals \$84,126.

The Oakland Young People's Building, Meader Fellowship Hall, was dedicated April 19th, being the sixth new building dedicated in the past five years. In addition, Seattle last year bought the neighboring Jewish Synagogue for its Sunday School, the largest Oriental Sunday School in the United States. Berkeley, Sacramento, Hood River, Wapato, Palo Alto, Mountain View, Bakersfield, Denver and Seattle all desperately need new buildings.

Berkeley has been selected as the official project for 1931, and with the help of the Board of Home Missions and Church Extension we shall try to complete a suitable building there by this time next year.

The Superintendent, laboring constantly under increasing pressure, has traveled during the past year more than 35,000 miles and delivered 134 English and 73 Japanese sermons and addresses. He spoke 57 times in the interest of the Oakland building project.

At the Washington Home Missions Congress last December the statement was made that the Japanese work is the best organized and most advanced foreign language mission work in the country. If this is true, it is due to the wisdom and zealous toil of our predecessors. It is ours to push the task to completion, at least in the sense that every one of the 70,000 Japanese in the United States has the privilege of hearing the gospel of Jesus Christ and that every one of their 75,000 children, these earnest, capable, clever second-generation young people, has the opportunity of the best religious education America has to offer.

Reports of Standing Committees

Church Schools and Epworth Leagues

During the past year successful work has been carried on in 36 Church Schools. 296 children received baptism. The Rally Day offering totaled \$102, a gain of \$13. In Seattle the Pacific Northwest Young People's Christian Conference was organized, comprising all the young people's organizations in Washington and Oregon. Junior Churches were organized at Brawley, Livingston and San Francisco.

The Committee recommends the following: 1. That part of the discussion periods at Annual Conference be given to the question of Religious Education. 2. That special evangelistic meetings for young people in the English language be sponsored. 3. That the Director of Religious Education of the Conference

see that Teacher Training Classes are organized in each Church. 4. That English worship services be conducted each Sunday, if possible. 5. Observe Rally Day and Children's Day. Send the Rally Day offerings to C. Haruyama, Box 300, Brawley, Calif. 6. Cooperate with the Young People's Christian Conferences.

World Service Program

Our contributions to World Service for the past year were \$3,127, a gain of \$17. The contributions from the Sunday Schools, not including the Rally Day Offering, were \$345. We recommend the following objectives: 1. Make World Service known and loved by the Church, especially by the Sunday School children and the young people and have them contribute something toward World Service. 2. Make World Service a regular part of the program of the Church and not something extra. 3. Considering the present economic condition of our people we urge that each pastor and Church do their best to prevent any decrease in our contributions.

C. HARUYAMA, Chairman.

Temperance and Social Reform

We are facing serious problems of social unrest and moral upheavals in our communities. 1. We recommend that our pastors and Churches take an active part in supporting the Eighteenth Amendment and the Volstead Act and that we do our best to keep the liquor traffic out of our communities. 2. That we cooperate with the Church Federation of each locality in discouraging divorce, drunkenness, gambling and social vice and that we try to keep the atmosphere of each community pure. 3. That so far as possible we cooperate in securing the election of officials who will enforce the laws.

T. J. MACHIDA, Chairman.

Evangelism

The plan of dividing our territory into seven sections, with a special chairman for each section, was very successful. We recommend that this be continued. In addition to the methods pursued last year we recommend that much more literature be used and that visitors, such as Mr. Kagawa and Bishop Akazawa, be utilized for special meetings.

H. ARIMA, Chairman.

Self-Support

We are delighted with the report that Seattle will assume the responsibility of self-support from July 1st. Our self-supporting Churches are Oakland, Berkeley, Livingston and Los Angeles. The spirit of independence has made the Japanese nation what it is to-day, and Christianity is a religion that always stands on its own feet. We recommend that all of our Churches decrease their subsidies as rapidly as possible and join the ranks of our self-supporting Churches.

H. ARIMA, Chairman.

Pension Plan

During the past year \$15 a month was paid to Rev. K. Baba, a retired Local Elder. We collected from each pastor one percent of his salary and from each Church two, three or four dollars a month, according to their ability. Our recommendations are the same as last year. Y. YOSHIOKA, Chairman.

Work for Women and Children

During the past year the Ladies' Aid Societies of the various Churches have been doing splendid work.

Many types of activities have been carried on—education, language

Report of the Committee on Resolutions

Bishop F. D. Leete—Very fortunate are the ministers and lay delegates to have Bishop Leete to preside throughout the seventy-ninth session of the California Conference and 32nd session of our Mission. His presence among us has meant great inspiration and aid. Our respect for him increases as we realize the service he has rendered to us in spite of the burden resting on him in busy double sessions of the two Conferences.

Bishop Charles Wesley Burns—We Japanese all love Bishop Burns and we hope that arrangements may be made so that he can continue to supervise the work of our Mission Conference.

Dr. A. Wesley Mell of the American Bible Society visited our Conference and gave us a good report. His presence encourages us to do more work for our Lord. We are very grateful to him.

Dr. Clarence True Wilson at our Sunday morning service, June 4, 1931, gave us a fine and inspiring sermon on "Prohibition." We are very much encouraged and we want to express our hearty thanks to him.

The Japanese Association of San Jose—To this well organized Association we wish to extend our deepest gratitude for the appetizing dinner tendered to us on June 4th. We greatly appreciated this extraordinary opportunity for friendship and fellowship.

The Ladies' Aid Society of the Palo Alto Church treated us to a fine luncheon at the home of Mrs. Leis. We are very grateful to them.

The Centella Methodist Church kindly allowed us to use their building for our Sunday services on June 7th. We wish to express our thanks both to the Church and the pastor, the Rev. C. H. Stephens.

The San Jose Japanese Methodist Church—San Jose with its pleasant climate and inspiring religious atmosphere has been to all of us who are Conference Members a place of inspiration and encouragement. We appreciate deeply the kindness of Rev. Kono and the San Jose members bestowed upon us during our stay in San Jose. May God's blessing rest on the Church members and their pastor is our fervent prayer.

Signed by S. UEMURA, I. INOUE and T. MIYAGI.
